If so, specify: No

Brief description of filing. (If filing follows rates of an advisory

Allstate Ind
R17905

organization, specify organization): IL Rate Filing

Allstate has again purchased countrywide catastrophe aggregate excess reinsurance agreements to mitigate our exposure to catastrophic losses. One agreement has a one year term, effective 6/1/2007 to 5/31/2008, and the other agreement has a two year term, effective 6/1/2007 to 5/31/2009. The one year term agreement has been 15% placed and the two year term agreement has been 80% placed, leaving Allstate the option of placing an additional 15% in year two. Together the catastrophe aggregate excess reinsurance agreements will apply to Allstate and Encompass brand personal auto and personal property policies nationwide (excluding Florida), providing coverage for the term 6/1/2007 to 5/31/2008 of 95% of the first \$2 billion in excess of \$2 billion of retained losses from storms named or numbered by the National Weather Service, earthquakes, and fire following earthquakes, subject to the terms, conditions, and limitations set forth in these agreements. These agreements replace Allstate's countrywide catastrophe aggregate excess reinsurance agreement that was effective from June 1, 2006 to May 31, 2007.

With this filing, information is provided to support the revision of the distinct charge to cover the fire following an earthquake portion of the net cost of reinsurance in Allstate Indemnity Company for the Manufactured Homes program in the state of Illinois. The net cost of reinsurance is equal to the reinsurance premium paid, less expected reinsurance recoveries under the contract. Please refer to filing R16957 for additional information on the original net cost of reinsurance filing.

Allstate's revised reinsurance cost will be reflected by revising the reinsurance rate adjustment factor in the rate calculation for the Manufactured Home program. The factor is currently 1.000 for Manufactured Home. The revised reinsurance rate adjustment factor will apply to the calculation of the reinsurance charge for all policies and will therefore have the same effect as a reinsurance base rate change.

Effective date:

New business written and renewals processed May 14, 2007 with renewal business effective June 28, 2007.

* Adjusted to reflect all prior rate changes.

** Change in Company's premium level which will result from application of new rates.
